

August Newsletter

Welcome to Our New Members

A big welcome to Jo, Jesse and Joel who are working on weekends, currently at Boulders, and also to John who will be joining us on Wednesdays whenever he is free.

Memberships are now due!

Your membership is extremely valuable to us. In these times of climate change and local population growth, rehabilitating and restoring our natural environment has never been more important and your membership ensures our continued efforts. Your financial contribution is greatly appreciated and will go towards the purchase & upkeep of tools, materials and equipment used by our teams of dedicated volunteers. As well a healthy number of financial members reminds Ballina Shire Council of our value and underpins their continuing support for our work.

Annual membership \$10
Lennox Head Landcare
BSB - 062502
Acct - 10183839

*Membership:
\$10 pa, due for renewal 31 August each year.

Community Led Climate Action Proposed

We were visited by Sarah from the Ballina Environment Society (BES) at our August Committee meeting. She outlined a plan to tempt, persuade and encourage grass roots action on addressing climate change across the Shire. She explained that Council are focussing on their impact on carbon emissions and water use but this amounts to only 1.5% - 2.0% of total emissions across the Shire. BES have a number of ideas to galvanise households to work together and make a difference but need extra hands and enthusiasm to make it work.

Sarah is looking for supporters to help get this plan up and running, if you would like to be involved let Shaun or Angela know and we will pass your email address on to her

Our Management Committee for 2022-2023

We held our AGM in August and are pleased to announce the makeup of our Committee for the coming year.

President: Shaun Eastment

Vice-president : Kelly Saunderson
